**STRATEGIC DIRECTIONS AND KEY PRIORITIES**

---

**1. PURPOSE**

This governance policy has been developed to reflect the commitment of the Moose Factory Island District School Area Board to continuous improvement, and to make a public statement of the Board's intent and priorities. This policy has also been established to fulfill the Board's duties and powers under the *Education Act* to develop a multi-year plan aimed at achieving the Board's goals.

**2. POLICY**

- 2.1 As required by legislation, Moose Factory Island District School Area Board will develop and have in place a multi-year plan for three or more school years. This strategic plan shall support the Board's mission, vision, and values and shall:
- promote student achievement and well-being;
  - promote a positive school climate that is inclusive and accepting of all students;
  - promote the prevention of bullying;
  - deliver effective and appropriate education programs to Moose Factory Island students; and
  - ensure effective stewardship of the Board's resources.
- 2.2 The multi-year plan will be used in a variety of ways, including the following:
- to provide direction to the Board of trustees and administration when making decisions;
  - to provide direction that informs the allocation of Board resources; and
  - to motivate the staff by giving purpose to day-to-day responsibilities.
- 2.3 The multi-year plan will be reviewed on a regular basis, including annually with the supervisory officer, and will govern Board directions.
- 2.4 The Board's multi-year plan, *Strategic Direction and Key Priorities*, is found at:
