February 18, 2021

Dear Ministik Parents, Caregivers and our whole school community,

Please note there is a change to our 2020-2021 School Year Calendar. During the duly convened meeting of the Moose Factory Island District School Area Board, the Board of Trustees made the decision to amend our 2020-2021 School Year Calendar to ensure that we are following the recently announced direction from the Ontario Ministry of Education to postpone the 2021 March Break until April.

Our revised school calendar will now include a dual March Break and April Hunt Break which will run from Monday April 12, 2021 until Monday April 26, 2021, inclusive. Classes will resume on Tuesday April 27, 2021.

Families who wish to participate in traditional activities at any time during the school year are reminded to notify the school office so that children will be excused accordingly.

We encourage you to visit our website www.mfidsab.ca or our Facebook page <https://www.facebook.com/moosefactoryministikschool> for the most up to date information.

If you have any questions about what our school is doing, please let me know.

Yours in Education. Meegwetch,

Jennifer Knight-Blackned

Ministik School Principal
