
NOTICE TO COMMUNITY RESIDENTS:

Dear Parents and Caregivers,

This memo is to provide our school community with NOTICE that during the duly convened **Moose Factory Island District School Area Board Meeting** held on September 16, 2021, our Board of Trustees met with Ministik Administration and our Education Partners MCEA to discuss **Ministik School lunch and MCEA bus service.**

We reviewed our ***Ministik School Community Back to School Plan (2021-2022)***, guidance from the Ministry of Education, as well as our consultation with our various stakeholders and partners. We have been experiencing a shortage in staff for supervision during entry, exit and break times.

To ensure the safety and well-being of our students
we will be maintaining our existing schedule,
as outlined in the
Ministik School Community Back to School Plan (2021-2022).

The Board of trustees will continue to work with Ministik Administration, MCEA and our school community to explore how we can improve **Ministik School lunch and MCEA bussing.**

Any comments/ideas/suggestions you may have that you wish for us to consider can be shared via email at kindness@ministik.me

For on-reserve bussing inquiries please reach out to Moose Cree Education Authority at 705-658-4726

Please review the *Ministik School Community Back to School Plan (2021-2022)*.

Meegwetch!

for your cooperation and support in ensuring that our students are safe and secure as they continue their learning at Ministik School.
