NOTICE TO COMMUNITY RESIDENTS **MINISTIK SCHOOL REMOTE AT HOME LEARNING CONTINUES...** **JANUARY 25 - February 11, 2022**

This memo is to provide our school community with notice that Moose Factory Ministik School will continue with **Remote At Home Learning Tuesday January 25, 2022 until Friday February 11, 2022**. The decision to delay In School Learning at Ministik is based on guidance from local leadership and health care professionals and reflects our commitment to the health and safety of our students, educators, school staff, and school community.

Ministik School and Board administration have actively met with local leadership, community health professionals, the local Pandemic Emergency Operations Team, and the MFIDSAB Board of Trustees, to review local and provincial guidance as well as the current local COVID-19 context. There are a number of factors that have been considered including required safety measures, isolation requirements for students and staff, and the vaccination rates of our students. We encourage parents and caregivers to reach out to the Moose Factory Health Centre to book appointments for your vaccine today!

We are committed to working with our partners to keep our school community safe and well informed. Specific information, updates, and next steps for parents and caregivers can be found on our website www.mfidsab.ca or by contacting the School and/or Board Office.

Meegwetch!
